Dear Ruth:

I understand my office has already sent you a copy of the address I gave in Buffalo last Monday, May 4 on "Bill Donovan Day."

A host of his old friends and colleagues from the war days - friends of the law, and others turned out to do Bill honor. The hall was packed and it was really a moving occasion.

Sincerely,

15/

Dear Mrs. Donovan:

Just before Mr. Dulles left to deliver his speech in Buffalo today on the occasion of "Bill Donovan Day" he asked me to send you the attached copy of the talk he plans to deliver.

He mentioned in his letter to you the other day that he would send this as soon as it was ready.

Sincerely,

Dear Ruth,

I thought you might like to see the enclosed dispatch which we sent to all of our units throughout the world. I thought that David Bruce's letter and Monsignor Cartwright's talk were very fine tributes to Bill.

You will probably be interested to know that I have been asked to speak to the Erie County Bar Association in Buffalo on 4 May, "Bill Donovan Day." This is a real honor and I hope that I can pay him the proper homage. I will send you a copy of the speech when it is finally prepared.

With very best wishes.

Faithfully,

Dear sir:

I have written the Veterans' Administration there in Washington concerning the problems of many World War II veterans and many Korean War veterans, but apparently my efforts were to no avail.

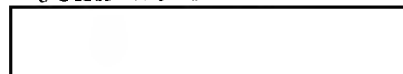

I wish to cite three important matters relating to the affairs of American ex-servicemen demanding immediate attention:

- (1) Having carefully observed the effects of electric shock treatment in Building 10 of the Veterans' Hospital at Waco, Texas, and realizing that electric shock treatment has killed hundreds of ex-servicemen, I wish to state that in order to save the lives of future ex-G.I.'s and to preserve their minds, action must be taken in Washington without delay to prevent its for treatment in any mental hospital within the United States,
- (2) I wish to state that a veteran with a conventional honorable discharge from any branch of the armed forces should under no circumstances receive compensation from the federal government, unless he, acting on his own, personally takes measures to secure it, and
- (3) I wish to state that no veteran discharged from any branch of the armed forces under any circumstances should have an estate of any type (accumulated compensation) comprised of funds received from the federal government.

Sincerely,

John W. Davis
